## Proceeds Benefit Portland Choir & Orchestra

PCO is a non-profit all-volunteer choir of auditioned singers that has been bringing inspiring concerts to the Northwest for over 20 years. Our concerts are accompanied by a professional orchestra, and your participation allows us to continue paying them as well as bringing in special guest artists. Additional funds will allow PCO to expand its reach by registering for regional and international concerts. Lastly, your funds will allow us to finally realize our vision of providing scholarships to youth seeking to advance their musical training.
